- jars

I can help our earth by recycling:

- paper
- metal
- jars

I CAN HELP OUR EARTH!

What are some things that you can do to help the earth stay healthy and clean?

Fill out the boxes below by completing each sentence:

I can help our earth by reducing:

I can help our earth by reusing:

I can help our earth by recycling:

I Can Reduce Reuse Recycle

Newspaper

Bags

water

Donating clothes

Cans

Glass jar

Straws

Car pooling

Reduce: means using less of something.

Reuse: means to use something again, instead of throwing it in the garbage.

Recycle: means collecting items to be used again or turned into new materials.

Look at the pictures and answer the questions below:

I can reduce _____ by:

I can reuse _____ by:

I can recycle _____ by:

Educator Answer Key

Earth Day Cloze Activity

Complete the sentences using words from the word box.

Earth recycle trash faucet plant
walk bicycle trees water love

1. Earth Day started on April 22, 1970.
2. I can ride my bicycle in the park with my friends.
3. On Earth Day, we go out to the forest and plant trees because they help keep the air clean.
4. I love nature, where I can hear the birds sing and feel the wind in the trees.
5. My family sorts cardboard, glass and plastic for the recycle bin.
6. If you turn off the faucet when you brush your teeth, you save gallons of water.
7. There is a school club that visits the beach to pick up trash.
8. When you walk instead of driving a car, it decreases air pollution and helps you get active!
9. Taking a shorter shower saves water.
10. Planting and conserving trees make the air cleaner because they give off oxygen and absorb pollutants.
