

SCRAP UNIVERSITY KIDS

## Gallium the unicorn's crash course on the magic of can recycling!

- Sadly, the USA only recycles $45 \%$ of cans! We CAN do better!
- Aluminium recycles quickly! It only takes 30-60 days from the time you recycle a can until it's back on the store shelf!
- Aluminium is $100 \%$ recyclable FOREVER!
- Every time you recycle a can, a unicorn smiles!
