

Name _____

LET'S BE METAL DETECTIVES!

Hunt down all the metal treasures around you! Circle them like a metal detector champ, and think about what metal magic they are made of.

<p>AL</p> 			
	<p>Find a Ferrous Metal</p> 		<p>Find a Non-Ferrous Metal</p>
			

Which metal is used for each object?

Place the symbol of each metal element in the appropriate box.
