

Million Cans Recycling Contest!

Learn how rewarding recycling can be!

Presented by:

What: A Fun challenge to see which school can recycle the most aluminum cans! A local scrapyards will drop off a large bin for your school to fill up with only empty aluminum cans.

Who: 2nd or 3rd graders at your school will compete against 8 other schools!

When: From **September 2024 to May 2025**

Where: 16 elementary schools across the USA will compete

Why: Did you know only 45% of cans get recycled in the USA ? We need your help to make a difference! Let's join forces to recycle **one million cans!**

Which state will recycle the most cans???

- Students get FREE copies of The Girl Who Recycled 1 Million Cans
- \$10,000 in books and prizes will be awarded!
- Teach students about the importance of recycling!
- Help your school, community, and the planet, while having fun!
- Earn money for your school for ALL the cans you collect! Aluminum is paid for by the pound! The more cans you collect the more money you get! (35 cans per pound)

Can your school win
1 st Place wins \$3,000
2nd Place wins \$1,000
3rd Place wins \$500
